

Where's the cat?

Fiona Kitty! Here's your milk! Where are you!

Daniel She's not here. Where is she? Where can she be?

Fiona Well, she is not under the bench.

Daniel Is she behind the greenhouse? Or on the roof?

Fiona No, she isn't.

Daniel Maybe she is up in the apple tree or under a bush.

Fiona Oh, look. She is in the flowerbed in front of the greenhouse.
There is a little mouse on the ground. It's dead.

Daniel Where? Show me.

Fiona It's in front of her. Oh Kitty!!

Don't play with it. No, please don't!
