

Don't forget!

Hi Jamie!

Yeah, I know what you mean. My parents are like that too.

They think I have a bad memory. They keep on like mad all day long:

Don't forget to put on clean socks.

Don't forget to lock the door.

Don't forget to do your homework.

Don't forget to feed the cat.

Don't forget to have a snack.

Don't forget to phone me after school.

I get so tired. I just don't listen.

But you know what? They forget something. They never say: Don't forget to play computer games!

See you at football practice.

Don't forget your football shoes this time!
