

Ouch! It hurts!

- Oscar** I can't go to school today. I've got red spots on my face.
Mum Well, they're just pimples.
Oscar Pimples? Umm ... I've got a headache, too.
Mum How about an aspirin?
Oscar It's not only my head ... My left leg hurts and my right knee hurts ... And my feet, I can't wiggle my toes!
Mum You can't wiggle your toes? That's not good!
Oscar Yeah, and oh, my stomach ...! And my neck and shoulders ... Ouch!
Mum Poor you! You're ill! You must stay in bed all day!
Oscar All day? But I have football practice at three.
Mum Football practice? No way! You need a doctor.
Oscar A doctor? No, no, I feel better already!
