

What's for dinner?

- Marc** What's for dinner tonight?
Dad Can you guys make dinner tonight?
Zoe Sure.
Dad How about tacos?
Marc Yeah, I love tacos!
Dad Good! There is a plastic box in the freezer. It says "meat sauce" on it. There's a packet of tacos in the cupboard next to the washing machine. The tomatoes and the lettuce are in the fridge. Just take the meat sauce out, and put the box in the microwave.

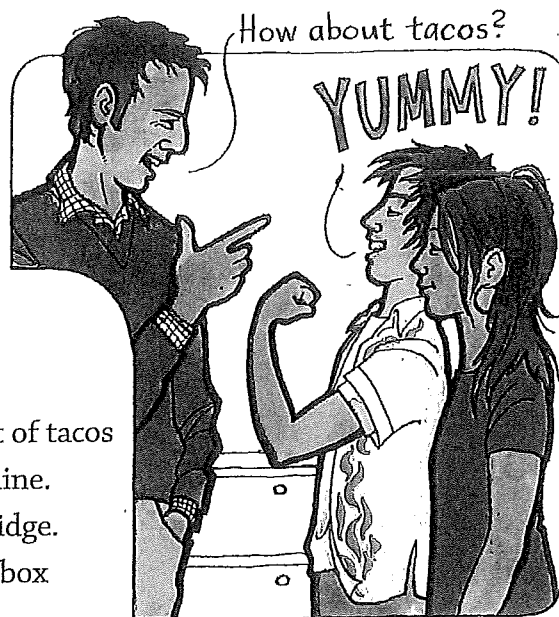

Zoe OK! Can I use the oven instead?

Dad Sure!

It's five o'clock. Dad is on his way home.

He calls Zoe on her mobile.

- Zoe** 65989...Hi Dad! Where are you?
Dad I'm on my way home. Do we need anything from the supermarket? Have we got everything for breakfast tomorrow? Toast? Cereal?
Zoe We need some bread and butter. Dad, can we have dessert after dinner? Buy a tube of chocolate sauce. Please! We've got a packet of vanilla ice cream in the freezer.
Dad All right, why not?
Zoe Yippee!
